DETERMINING ROM REQUIREMENTS FOR TRAVELERS

Definitions

90-day Positive: A person who had a positive test result of COVID-19 within the last 90 days and has fully recovered and been cleared by medical personnel. For travel, recovered positive status within 90 days is applicable up to the day of arrival.

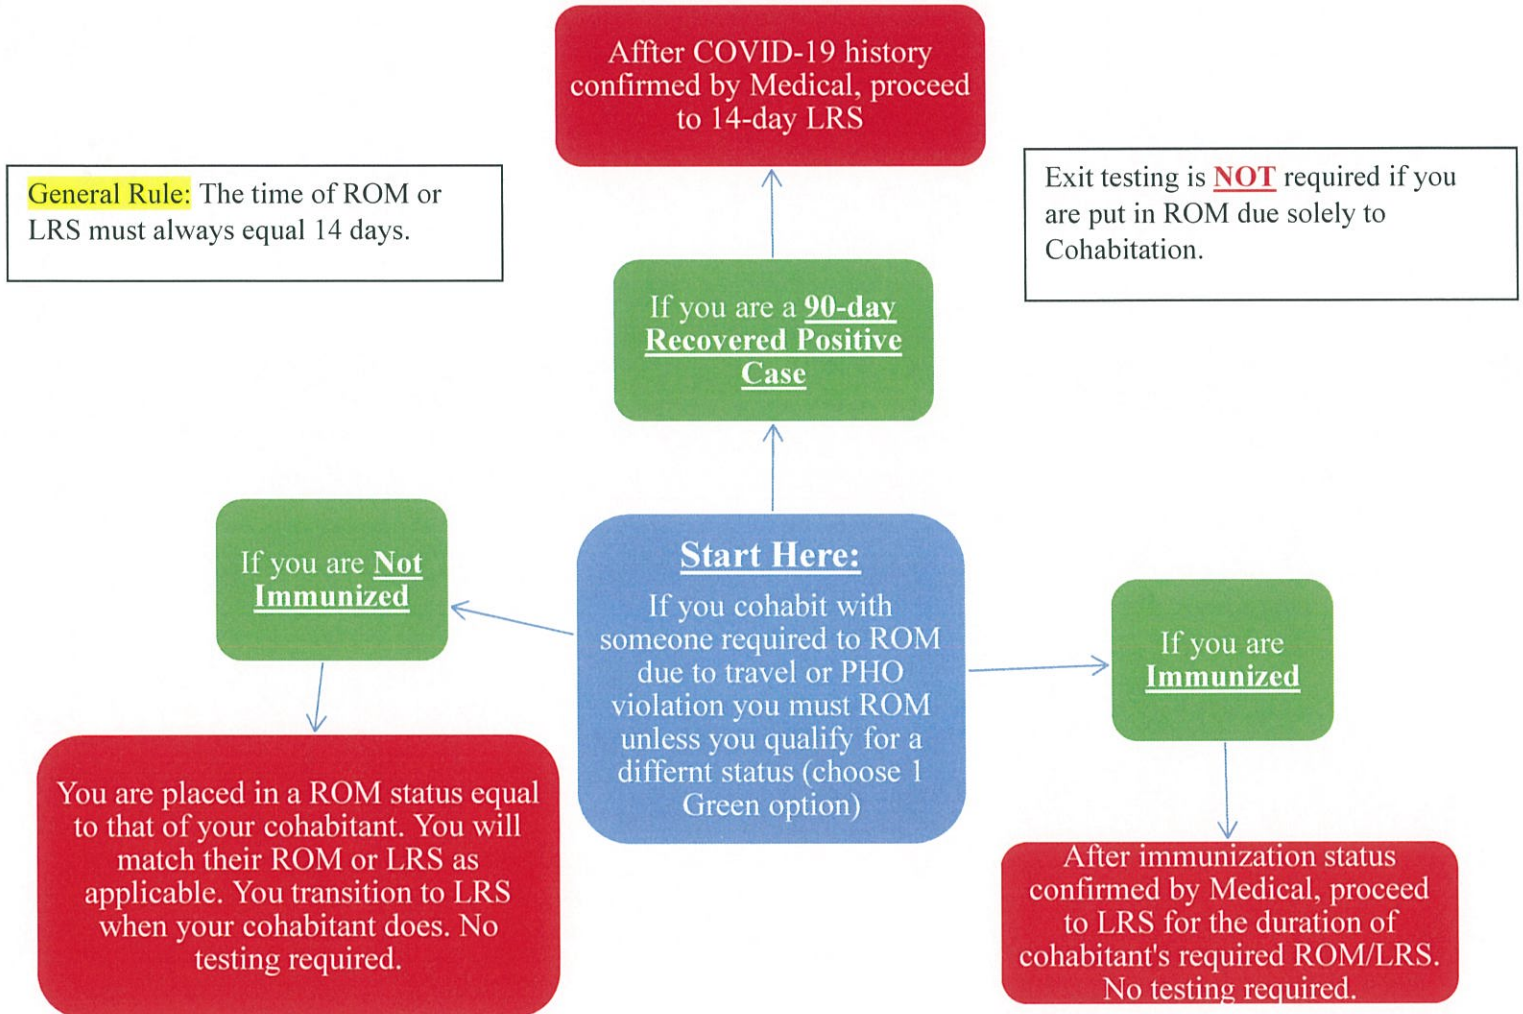

Immunized: A person who received their 2nd dose (or 1 dose if a single shot regime) of a COVID-19 vaccine at least 14 days ago.

Limited Release Status (LRS): Persons in this status may freely move around the installation and if living off installation, transit to and from their domicile to the installation. Public transit is NOT authorized. All base services are available to persons in this status.

****IF SYMPTOMATIC** at any point, persons will be required to abide by Isolation or Quarantine as directed by CFAS Medical.
